Term 2, Week 2 5th - 9th May 2025

Dear Parents, Caregivers & Friends,

This week we had the pleasure of hosting ERO (Education Review Office) on Tuesday and Wednesday. Although we were all a little nervous which is understandable, it actually turned out to be two very enjoyable days. It was a pleasure for me to showcase our students and staff in action, whether it be in the classroom or out in the playground.

Congratulations to all our Netball Teams who had their first games on Saturday. They had two games each, and won both of them which is a great start to the season and will have them all playing in a top grade. A huge thank you to our parents who are coaching or refereeing, it is much appreciated and the season cannot work without your support.

Thank you to Clem Trotter who is coming in each Friday for an hour to work with a small group of Year 5 & 6 students, doing hard materials technology. Their goal is to build a beautiful outdoor table and chairs set that will be auctioned off at the Quiz Evening, later in the year. I look forward to sharing the progress of their work with you.

Our Hockey Teams start this week, our seniors had a great game against Waipukurau last night with a narrow loss. Our Year 3 & 4 and Year 5 & 6 teams play this afternoon. Again, thank you to our coaches for making this work.

Next Tuesday we have some seniors attending the Year 8 Discovery Day at CHB College. This is a great opportunity for our students to see how a high school operates. Parents would have received info regarding this.

Have a great weekend everyone. Good luck to all our rugby players who start this week, tackle low!

Regards,
Hamish.

Optional bought lunches tomorrow - menu's are attached to the hardcopy.
Thank you to the Sawyers Arms Staff.
