Term 2, Week 9 15th – 19th June 2026

Dear Parents, Caregivers & Friends,

We really enjoyed hosting Dale Shewan and Anna Scott from the CHB District Libraries on Tuesday. This was part of the Winter Warmers Reading Programme which really encourages students to read and share what they are reading.

Our Agrikids Team of Hunter, Sid and George are busy preparing for the nationals. This Friday they are visiting Mills Honda to study ATV's, following this they will visit Stephenson & Taylor to study New Holland tractors. On Tuesday they will be hosted by the CHB Council to learn about preparation and responding to adverse events.

Thank you to staff who are currently putting a lot of time and energy into mid-year written reports which will be coming home in week 10.

As a Board of Trustees, we are very excited about the upcoming work to be completed at school. As part of our 5 Year Property Plan, we are installing heat pumps/aircon units throughout all areas of the school. We hope these will be installed during the holidays. We are also very pleased to be installing a couple of major additions to our playground. A very large new swing set is being built as well as an outdoor concrete/steel table tennis table. A huge thank you to our Home & School Fundraising Team for supplying the funds for the swings and table. We plan to hold a working bee during the holidays so please watch this space.

Have a great weekend everyone.

Regards,
Hamish.
