Term 3, Week 8 1st – 5th September 2025

Dear Parents, Caregivers & Friends,

The term is flying by with just over two weeks to go!

Last week, our Year 3-8 students enjoyed attending the Science Roadshow. Students learnt about a range of different science concepts by actively participating in lots of hands-on activities.

Yesterday we had our first day of 3-way conferences. Like always, these are a great opportunity for parents, students and staff to meet to discuss students' progress, next learning steps etc. Thank you to all parents for attending, we are very close to 100% attendance.

Production practice, Dragon Days, is going well with all students making progress. Like always, we will be ready for the matinee on Wednesday 10th September @ 1:00pm. The Evening performance is on Thursday 11th September at 6.00pm. It would be great if everyone could get to either of the performances. We also look forward to hosting Ongaonga and Argyll for the matinee.

Our seniors enjoyed having Bidy Jefferd come in last Friday to teach makeup special effects. Bidy was an artist who worked in film and TV.

We have 21 runners who have qualified for the HB Interschool Cross Country. You would have received info regarding this earlier in the week. Can you please get permission slips back so we can organise transport for this.

Please see the attached information about the National Aquarium trip for Rooms 1, 2 & 3.

We look forward to Pet Day on the last day of term, Friday 19th September. More info will come home next week regarding this.

Next Friday is a teacher only day as all staff are at a curriculum development day for mathematics.

Have a great weekend.

Regards,
Hamish.
