Term 4, Week 2 19th – 21st October 2026

Dear Parents, Caregivers & Friends,

Even though it's a short week, there's some important points of information to cover.

Our Year 6-8 students leave for Mahia on Tuesday. You have all received separate information regarding this. Please sing out at any time over the long weekend if you have any questions. Before we even go, thank you to the big group of parents attending, it allows us to run the camps we do, making it enjoyable while ensuring the safety of our students. Please remember to supply some homemade baking for morning and afternoon teas, thank you for this.

Athletics is next Thursday the 29th of October. Unfortunately, our seniors cannot attend. A new transport list will come out early next week. Have a great time everyone, I look forward to hearing how the day goes.

Thank you very much to everyone who has taken the time to complete our school community survey. There is some really useful information coming in to help guide planning for the future. Please take the time to complete it if you have not already.

Who would have noticed that we have contractors onsite for the last two weeks. They are connected with the MOE and help cover all areas of school maintenance.

No matter if you're travelling away, going to the A & P Show or staying home, have a great long weekend in the sunny HB!

Regards,

Hamish.

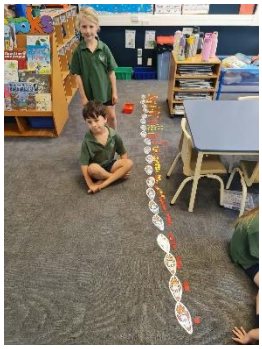

Farewelling the Yates family as they transition to a new area.
