Week 4, Term 1, 21<sup>st</sup> – 25<sup>th</sup> February 2022

## Dear Parents, Caregivers & Friends,

Our Teacher Only day last Friday was a real success. It was a great opportunity to meet with Argyll School, and Julian from 'Out There Learning' to develop our science curriculum. We look forward to getting out and about in our local environment to open our students' eyes to the world around them.

We had our first Tuesday Afterschool Cricket Training this week and I think we are going to make really good progress towards having players play competitively in Term 4. Again, if any adults or older siblings etc. would like to come and help, please let me know. If any other students would like to join, please complete the below slip and return it to school.

Reminder that we are running our Options Programme later this term, a big thank you to Sheryn Slavin who has already said she is keen to be part of it again. Please let me know if you are keen to be part of it or discuss your ideas.

We are excited to be tramping into the Ruahines next Thursday. Please see the attached letter with all information regarding what parents are coming, gear lists, times etc. Please sing out if you have any questions. A transport list and any final information will come home next week. Now that we are only a week away, we will be eagerly watching the weather forecasts!

Last week it was our turn to have the CHB Play Trailer which is sent around all CHB schools to use.

Our school triathlon is approaching fast so we are training for this as doing any physical event is so much more enjoyable if you are fit.

Have a great weekend.

Regards,  
Hamish.

Thank you to Blaire and Jules for their beautiful idea of the Tiny Tiko Library for kids. The couple used to foster children and the books that they collected over the years are now surplus to their requirements, but they wanted them to still go to good use.

Blaire says "If you love it - keep it" otherwise you can return it or swap it. Happy Reading!
