Week 7, Term 1, 14<sup>th</sup>-18<sup>th</sup> March 2022

## Dear Parents, Caregivers & Friends,

What a fantastic event our triathlon was on Friday. We can all be proud of every single student for the effort they put in. Not everyone can come first, second or third, but what we are seeing is the people at the back of the pack are putting in just as much effort, or sometimes more, which is so pleasing to see. Congratulations to Murphy Slavin who held off a competitive field to be school champion. Thank you to Lionel for taking great photos which are available for viewing on the school Facebook page.

Next week we look forward to our training evenings for Agrikids on Monday and Thursday. All schools are sent the topics for the event on Monday which gives us 5 days to prepare! Thank you very much to all parents who are helping.

Thank you to James and Kate Butler who are making logs available for Wakarara and Wellington Camp firewood fundraisers. Today we have our first working bee, another one will be on a Saturday in the near future. Thank you very much everyone for helping. I can't wait to have the students doing their part, loading the wood into bins and trailers for customers.

Next Friday we have Space Girl visiting! Although we are not actively studying space this term, it was just too good an opportunity to pass up, as it was only made available to a small number of schools through Julian, our science adviser.

You would have received a notice regarding our trip to Puahanui Bush on Tuesday 29<sup>th</sup> March. Please return the slips to school ASAP.

Student, teacher and parent conferences are scheduled for Wednesday 30<sup>th</sup> and Thursday 31<sup>st</sup> March. Please return your booking slip to school ASAP.

Attached is the Draft Winter Sports Teams. What a huge list it is considering sport is not compulsory. Please carefully check it and let me know if there are any changes needs.

Regards,  
Hamish.
