Week 8, Term 1, 28th March – 1st April 2022

Dear Parents, Caregivers & Friends,

Welcome back everyone from a week at home, it is not often a school has almost no staff! Thank you to all parents who embraced the week as an opportunity to spend time with children to continue learning. To the families that got hit with COVID, it was just a matter of getting through it and getting back on track to start school this week feeling well. It has been quite a surprise to see how washed out everyone looks who had COVID, but I'm sure this will improve quickly. This week, we have continued to have a small number of students and families either ending their isolation periods, or starting them.

On Saturday we had three teams compete in the East Coast Agrikids competition. Although we were unable to have our training evenings in the build up to the event, and we had lost half our teams due to COVID, our students enjoyed the experience and gained a taste of what it's all about. We look forward to next year where we will be better prepared. Congratulation to Sherwood School who won the competition.

Unfortunately, Parent, Teacher and Student conferences were postponed this week. The new date will be Week 2 of Term 2. We will resend the booking forms home this term so we can be well planned when Term 2 begins.

Due to COVID and the weather, we also had to postpone our Puahanui Bush trip. We look forward to this trip taking place in Term 2.

Like other events which have been postponed, Options will begin Week 1 of Term 2. Students will do the same options which they have chosen for this term.

Thank you everyone for looking through the 2022 Winter Sports Lists, we have made the minor changes requested. Please see the updated lists and have another quick look through to ensure we have it correct. It is an amazing list of sports teams considering we are a school of 57 students!

Have a great weekend.

Regards,
Hamish.
