Week 11, Term 1, 11<sup>th</sup> April – 14<sup>th</sup> April 2022

## Dear Parents, Caregivers & Friends,

We come to the end of another term, it seems to have flown by. Although it has been another interrupted term due to COVID, we are really pleased with our students' work and progress in all areas of school life. Like always though, we will keep striving for students and staff to keep pushing for higher student achievement in Term 2. We look forward to Three-Way-Conferences on Tuesday of Weeks 2 & 3 to share student achievement and goals. Please send your booking slip to school ASAP if you have not already done so.

Staff are working hard to make small tweaks to the way we deliver reading, working closely with Anne Frater and the Booster Programme, to implement parts of the programme into everyday classroom lessons.

Options Programme will begin on the first Thursday of Term 2. Students will be in the same option which they were in this term when it was postponed.

Winter sports begins next term. Netball and soccer begin the first weekend of Term 2, while rugby and hockey begin the second week of the term. We will confirm this ASAP.

Staff are working with Julian Thompson, our science adviser, during the first week of the holidays to plan and prepare for our topic of Planet Earth and Beyond in Term 2. It will be a great topic to study.

We hope to see as many students and families at the **Tikokino ANZAC service at the hall on Monday 25th April**. Due to the significance of the day, it has become a tradition for all students to wear school uniform. We will have two senior students lowering and raising the flag, as well as two seniors laying a wreath on behalf of the school.

A huge thankyou to the crew who got to the firewood working bee last Thursday, we made a great dent in the pile of logs. Please come today at 3:00pm if you can. The wood is ready for sale so please contact the office or myself if you would like to purchase some.

We look forward to a whole school free lunch today from the Sawyers Arms. Please still send students along with some morning tea.

Have a great holiday everyone.

Regards,  
Hamish Natusch.

Juniors making the most of the Autumn leaves.

Lulu's off at full speed during house relays!

Students hard at work loading wood for sale. All proceeds are going towards class camps to Wakarara and Wellington. Thank you to all adults who have been able to come to the working bees.
