Week 2, Term 2, 9<sup>th</sup> – 13<sup>th</sup> May 2022

Dear Parents, Caregivers & Friends,

It has been an excellent week with our first day of students, parent and teacher conferences held on Tuesday. These conferences are a great opportunity to meet formally and look at student goals, assessment results and classroom programmes to support learning in the classroom. At this stage, we are looking at 100% attendance for conferences which is very pleasing.

Our Miniball and Netball teams had their first games last weekend and both teams had hard fought wins! We want to say a huge thank you to our Home and School Fundraising Committee who funded the new netball uniforms which arrived just in time for the start of the season. The girls love them, thank you!

The Option Programme started really well last week. We'll continue to add photos each week to the newsletter so we can see what the different groups are up to.

Our firewood is selling extremely well, so well in fact that we will need to hold one more working bee to ring and split the remaining dry logs. I will get this date sorted ASAP.

Have a great weekend.

Regards,  
Hamish.

Our Netball girls looking very sharp in their new uniforms. Again, thank you to our Home and School Committee for funding these.

The Fitness Club Option catch a quick break at the top point on Holden Road. It was a beautiful day for a 12km bike ride!

Education outside the classroom! Grant Charteris showing students who are keen to learn, how to utilise ducks from opening weekend.

The Voelkerling boys proudly gift Mrs Frater the prepared duck meat from their weekend adventure. We always promote the importance of utilising what you hunt!

## 2022 Important Dates for Your Calendar
