Week 7, Term 2. 13th – 17th June 2022

Dear Parents, Caregivers & Friends,

A huge thank you to all parents who could help with our trip to the Limestone Quarry Last week. Aaron Topp from Hatuma Lime Works was amazed at the number of parent helpers we had! Thank you everyone. The trip was an excellent opportunity for all students to get out there and have a hands-on experience digging for fossils. We hope that all students, even our little ones, will have an understanding that Planet Earth is hundreds of millions years old. By learning about fossils and digging in limestone deposits, our students know that New Zealand was once underwater and it's from this time underwater, that shellfish and all creatures, plants etc in the ocean died to form the limestone we dug in on Friday. I hope you enjoy the photos.

Our last working bee splitting up the final rings went really well on Saturday afternoon. To everyone who has helped over the four working bees, **thank you very much**. All we need to do now is deliver the final few loads and then we can have a final count up of the funds!

Here's hoping the wind has come to an end, it's not often we keep children in as it's too windy outside.

Our Jumping June fundraiser for the Heart Foundation is up to \$2,600, keep up the great work kids.

Next Friday 24th June is Matariki and this is now a Public Holiday, school is not open.

All students have received information regarding the upcoming Gymnastics Festivals in Week 9. Can all senior students return their permission and transport slips ASAP, so we can organise the day as girls and boys compete at different times, as do some of our senior girls who are competing in the Grade A Competition.

Have a great weekend.

Regards,
Hamish.

2022 Important Dates for Your Calendar

23rd Jun - Jumping June!
