Week 5, Term 30th May – 3rd June 2022

Dear Parents, Caregivers & Friends,

Another week is flying by, it is scary to think that we are already halfway through the term already!

I have really enjoyed trying to get around all sports teams over the last couple of weeks. Overall, it is pleasing to see the commitment that our students have to their teams, always showing up on time, looking tidy, well prepared with equipment (usually), and working hard as a team. For one of our teams, last weekend was one of the greatest comebacks I have seen in junior sport, with ten minutes remaining, and being two tries down, they managed to win by one try. When the going gets tough, the tough gets going. Mind you, if they had tackled earlier in the game as well as they did at the end, they would not have been losing!

All students have their personal skipping rope now so they can get busy skipping and work hard to gain sponsorship for Jumping June, an excellent programme to gain funds for the Heart Foundation. It's pleasing to see students skipping in their own time, improving technique and fitness levels. It can also be a great multi person event when the big ropes come out!

Another excellent working bee was held to ring and split the final logs. Thank you everyone who has been able to attend at least one of the three events. There are still more rings to split, so I will set a weekend date so those parents who have wanted to attend midweek but haven't been able to will be able to attend. We will end up with approximately 100 bins of wood which will bring in \$7,000!!

We are really looking forward to our Hatuma Lime Works Field Trip next Friday. Hopefully we will dig up some interesting fossils. Please return the slip, which came home earlier in the week, back to school ASAP so we can organise the transport etc.

Have a great Queen's Birthday Weekend, no school on Monday. There is no sport this weekend for all sports teams either.

Regards,
Hamish.

Welcome to School Reid - our newest 5 Year old! Reid loves science so he can't wait to dig for fossils next Friday.

It is vital for every school to have great leaders. I want to make special mention how good a job our three Year 8's and House Leaders are doing. Jay, Moses and Willow.

JUMP-
ING
JUNE.

2022 Important Dates for Your Calendar

- 6th Jun - Queen Birthday - School closed
- 9th Jun - 9am Bus Training with PC Che
- 10th Jun - Hatuma Lime Works Fossil Dig
