Week 2, Term 3. 1<sup>st</sup> – 5<sup>th</sup> Aug 2022

**Dear Parents, Caregivers & Friends,**

What a fun week it has been with Drone Day on Tuesday and then all of the students from Years 4-8 competing in the Onga 7s on Wednesday.

Drone Day was a really good opportunity for our students to learn about the basics of flight, and to also fly drones themselves! It certainly took a lot of concentration and coordination to fly them successfully!

The Onga 7's yesterday was a great success. We had four teams take part and they all participated with great determination. Our Year 5-6 Netball Team was the standout performer on the day. The girls flew through the round robin part of the day, finishing top of their side of the draw. They met a very good Terrace School Team in the final who were tall physical girls. The game certainly did not always go to plan but the girls did extremely well to sneak home with a well-deserved 6-5 victory! Well done girls, this is a huge achievement and hopefully one you will be so proud of! A huge thank you to Ongaonga for hosting an excellent event which is now in its 55th year. It was extremely well organised and the weather played its part too.

The Year 3-8 students are off to the Science Roadshow at Dannevirke on Wednesday 24th August. We don't need parent helpers for this as we have hired a big bus from Bruns. A permission slip will come home soon.

COVID is raising its head again so please be vigilant with testing if you are showing symptoms. We have hundreds of tests here in the office so if you need some for your family, please let us know and we will get some for you.

Have a great end to the week!

Regards,  
Hamish

## Student of the Week

**Room 1:** Emerson for always being focused.

**Room 2:** Year 5 Netball girls

**Room 3:** Year 6 Netball girls
